THE CHARGE GIVEN BY GENERAL STEPHEN D. LEE TO THE SONS OF CONFEDERATE VETERANS

"To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish. Remember, it is your duty to see that the true history of the South is presented to future generations"

ALERT! ALERT! ALERT!

Our monthly meeting will be the 24th at Western Sizzlin at 7 PM. Doug Jefcoat has secured a speaker for the meeting. This month is a busy one with the various memorial services taking place. Many of them are in our area. We have been helping our fellow camps for many years by either being a part of a color guard or being the entire unit. Either way we have always been glad that we are able to help. There have

been times when we have split our forces to cover more than one event. We also have participated in a parade and two memorial services in one day beginning in Smith, stopping in Jones, and ending in Perry county. We have always been blessed with enough men to help others when needed. Let us not forget that this month is special for us and others as we celebrate Confederate History Month in MS., as a signed proclamation by Gov. Bryant, (who is a member), making it an official event.
